For Some, A Once In a Lifetime Experience

Discipline, teamwork, commitment – the key ingredients for a winning program. Capture 2015 KIF title – check. Dominate semi-final game of HHSAA Division II Championship – check. Under Head Coach, Philip Rapozo, our 2015 Warrior Football Team made school history by going after the state title against the Radford Rams on the Hawaiian Airlines Field at Aloha Stadium on November 20th. Although coming short of capturing the state title on that rain soaked Friday in November, the families, the school, the community, the entire island couldn't be more proud of these young men who will always be a Warrior at heart. Thank you to the entire coaching staff and their families for dedicating your talents to build our football program.

70th Anniversary Fundraiser

To celebrate our 70 years as a high school, the KHS Foundation has launched a fundraiser, which involves the construction of picnic benches, which will be situated on the school's campus. The Career and Technical Education (CTE) Industrial & Engineering Program students have been tasked with constructing these picnic benches as a school project. A total of 10 benches are earmarked for completion by the end of May 2016. The Foundation is seeking individual and/or class sponsorships of a picnic bench for a minimum donation of \$1,500.00 per bench. A plaque will be inscribed and placed on each bench for each donation of \$1,500.00 whether given individually or combined with other classmates. We appreciate any donation to this commemorative event!

For any questions, please contact Board President, Art Fujita at 808-651-4325 or email artfujita@hawaii.rr.com.

Athletic Department Receives Grants

The end of the school year saw Foundation support for the following programs: Canoe Paddling - \$1,300 for the purchase of new paddles in preparation of the new paddling season underway. Volleyball - \$1,100 for the purchase of two new nets and antenna. Boys Soccer - \$800 to replace training equipment. Athletics - \$4,400 to replace two ice machines.

Automotive Program Recouping After Break-In

During the school break last summer, theft of tools and equipment valued at \$7,000 had left the automotive program at a loss. In order to survive the school year, a request to the Foundation was made to replace the basic measuring tools and punch sets. In order to help this valuable trade program stay alive, the Foundation awarded a \$1,000 grant to replace some of its loss. Thank you to the Mahelona Medical Center Security Personnel for helping to be on the look out for suspicious activity in our area.

Special Education – Community Based Instruction Program

We are privileged to have two very dedicated Special Education instructors who graciously devote their time and energy to build the Community Based Instruction (CBI) and Work Programs at Kapaa High School. Special thanks to Tamarine Carvalho and Crystal Rowe for your dedication to our students with special needs!

The CBI focuses on developing independent life skills which includes the planning and preparation of meals in their homes and on their job sites. Students are taught hands-on activities from menu planning, food shopping, cooking, packing and serving. This year the Foundation was involved in providing funds to help the program purchase food items for the program's cooking activities by awarding \$2,000 over the course of the year. As a special thank you, the students baked mini pumpkin pies for members of the Foundation Board which were enjoyed by all at the November meeting. Thank you, students – they were delicious!

President's Message

Celebrating our upcoming 70 years as a high school! A gathering of alumni that spans 70 years and honoring our first graduating class is scheduled for the weekend of September 23 and 24, 2016. As we move closer to this eventful weekend, we look forward to having a multitude of classes participate in various planned festive activities.

Everyone will have a chance to reflect on friendships built while attending Kapaa High School and time to talk story of the memorable years gone by.

The Foundation looks forward with great anticipation and excitement to have as many individuals and classes to help celebrate this special event. A registration form can be found in this newsletter or by visiting our website: <http://kapaahighschoolfoundation.org>.

To those individuals who have continued to bless us with your contributions, a great big MAHALO!

We look towards 2016 and aspire to become better and hope for peace and prosperity. Our world expands with the generosity, compassion, inventiveness and service that you contribute. The more love that is given, the more love returns. The more a helping hand is given, the more hands are strengthened and empowered to help. We can help each other to all be winners.

Art Fujita
President
