4695 Mailihuna Road
Kapa'a, Hawaii 96746**

November 17, 2015

Dear Alumni:

In celebration of Kapa'a High School's 70 years as a high school, the Kapa'a High School Foundation will be launching a fundraiser involving the building of picnic benches. The Career and Technical Education (CTE) Industrial & Engineering Program students will build and situate the completed benches on the school's campus. This event will be a win – win for all students.....those involved in building it and those who will be enjoying the completed benches.

The Foundation will have 10 benches built by the end of May 2016. We are asking individuals and/or classes wishing to become involved to donate a minimum of \$1,500.00 for each bench. A plaque will be inscribed into the benches for each donation of \$1,500.00 whether given individually or combined with other classmates. No donation is too small.

Please make checks payable to the **Kapa'a High Foundation** and indicate if this is a class or individual and mail to:

**Kapa'a High School
4695 Mailihuna Rd.
Kapa'a, HI 96746**

We look forward to hearing from you for this special fundraiser and celebration.

Many thanks and appreciation,

Art Fujita, President
Kapa'a High School Foundation

December, 2015

Dear Alumni,

It is our privilege to invite you to the Alumni gathering as Kapaa High School celebrates 70 years as a high school.

We are looking forward in having alumni representing all classes to participate in these wonderful festivities as we recognize the first graduating class – the Class of 1946. Since many of you have been away for years, it will be a great opportunity to interact with old friends and school mates to reminisce on days gone by and foster new ties.

To appraise you in brief, the celebration event will take place on September 23 and 24, 2016. On Friday, September 23, alumni will experience a campus visitation, lunch, followed by a homecoming assembly. On Saturday, September 24, alumni are invited to attend the homecoming football game which includes a plate lunch and drink. To cap it off, a special luau at Smith's Tropical Gardens is planned for that evening.

We look forward to your presence in this special celebration gathering.

Sincerely,

Daniel S. Hamada
Principal
