

THE CLYDE T. KODANI SCHOLARSHIP AWARD Via Kapa'a High School Foundation

Clyde T. Kodani ('68) received his Civil Engineering degree from the University of the Pacific, then continued on to the University of California, Berkeley, for his Master of Science degree in Transportation Engineering. Having worked in both government and the private sector in California and on Kaua'i, in 1983 Mr. Kodani formed, Kodani & Associates, Inc., a civil engineering and surveying firm. Mr. Kodani retired in April 2021 and Kodani & Associates Engineers; LLC remains as one of Kauai's top engineering firms.

The Clyde T. Kodani Scholarship, established in 2022, will award up to two (2) scholarship grants valued at \$1,000.00 each to students pursuing a career in one of the engineering fields, with preference given to those who major in the field of Civil Engineering. Kaua'i has seen the continuation of the "Brain Drain" as talented students leave Kaua'i and never return. Mr. Kodani would like to see our students return to Kaua'i to pay-it-forward by contributing to Kauai's STEM education.
